NEWSLETTER

And when the golden summer sun grows weaker in our skies,
I know it really does not die – it just goes through a change.
For it has given its very self to me, in me it lies
As seed within my deepest heart – a thing most rich and strange.

This sun-seed – I must guard it, precious in my heart as gold.
It will live on in me through nights of winter, dark and cold,
Till lo, in spring a radiant, beauteous flower shall unfold!

Calling all young artists between the ages of 12 and 19 who would like to submit a cover design which supports the title's theme, (you do not have to include the journal's name, just leave space for it). Your cover design should be full colour, (any medium) and on A5 card or paper. Please include your name, telephone number/e-mail address on the back of the artwork. Class 8 French

Class 8 has just completed a portrait on the life of Jeanne d'Arc, and what great work they have done! Having been impressed with their French Calendar last year, I remain amazed with the originality, presentation and narration of some of their projects this year. Class 8 is a group of individual students, very confident with understanding French grammar and conjugation and, despite the fact that sometimes I struggle a little to keep them quiet, they are a very hard working class.

Francoise

PRIMARY SCHOOL

CLASS 5 FRENCH

Class 5 has one hour of French on Tuesdays. The children are able to count to over 1000 and they can speak the time in French. The students are able to introduce themselves, speak their age and nationality as well as where they live and their birthday. They can also name members of their family as well as stating what they like and dislike. The children are able to answer simple questions in French. They are learning a poem called "Le Pelican."

Class 5 is very well behaved with good listening skills and they are enthusiastic about learning French. It is always a pleasure to teach them.

☞ **AGM – held on Monday 23rd March**

Thank you to all who attended the P&F AGM and meeting on Monday 23rd March. It was decided unanimously to incorporate the P&F and accept the constitution as drafted. The P&F is in a healthy financial position thanks to all who assist and contribute at Friday markets, Spring Fairs and other events. Many thanks to David Hanrahan for his fine work as P&F Treasurer and previously as Chairperson.

The executive positions for 2009 are:

Chairperson: Petrina Hutchinson, Treasurer: Josie Kelly, Secretary: Jane Dolahenty

☞ **Change to Meeting Time and Date** Starting with the next meeting, P&F will alternate their meeting times and days. Every second meeting will now be held on a Friday at 3pm in the P&F Room. Childcare will be available for a \$2 donation at the Friday meetings.

Next meeting: Friday 22nd May, 3pm

☞ **School AGM Saturday 4th April** Information on the candidates for the position of School Council member will be distributed shortly along with details on the two special resolutions which will be voted on at the AGM. Please read the information carefully before voting. If you cannot attend the AGM you can assign your vote to another school member by proxy. Please consider carefully before trusting your vote to another to cast on your behalf. Do not give your vote away lightly.

☞ **Hey class coordinators:** come along to the P&F meetings to fulfill your RC&M hours and share information between your class and the wider P&F community. It is a great way to find out what is going on around the school, have your class represented and you might even enjoy yourself! A meeting of all class coordinators will be held early in term 2 to discuss each class activity and Spring Fair involvement. More details to follow.

☞ **Craft Group** The Craft Group will be recommencing next term. If you are interested in being involved please contact the staff in the school office with your contact details.

☞ **Shopper Tokens** If you choose to shop at the Supa IGA at Sunrise, make sure you ask for tokens to deposit in the Cape Byron RSS box near the registers. The IGA donated around \$600 to us from the tokens last year – that's easier than selling raffle tickets!

☞ **Calling all Artists!** A school parent, Karen Innes is organising an exhibition for artists with 90% of any sales going back to the artists and any profits from the remaining 10% going towards the kindergarten. If you would like to be involved check out the website:

GENERAL INFORMATION

THE JOYS OF RC&M WORK

The day started out raining but it had cleared by the arrival of the first people. And what a wonderful crew we had for our RC&M day on the 21st March. A magnificent bunch of enthusiastic and capable people brought joy to the completion of 99% of the tasks for the day. We had around 45 parents, many students and a number of staff members and they spread out working on tasks from Kindy through to High school. You could hear the laughing camaraderie and hard work from the guys clearing the HS vege garden to the gentle talk of a young mum with baby talking with a teacher over craft work. There were a variety of tasks to do and many opportunities to swap stories with new and old friends. For me the thrill of the day is always the joy of social interaction mixed with productive activity. For those that can't make it to our RC&M days, you can do a variety of tasks throughout the year either with me on site works or teachers or library or Admin tasks. Just contact the staff in the Front Office or the relevant people to arrange a time and task.

Cheers

Gavin.

Parents - All books borrowed within the past month or before will need to be returned before the end of the term. More recently borrowed books will be due back in the first week of term 2. Books can be renewed over the phone. Thank you to all of those parents who have been helping out in the library. Your assistance is invaluable. On the RC&M day the shelves were reinforced to bear the heavy load of the non-fiction books. Thanks go to Gavin, Jack and Jenny. Primary children did a lot of wiping, sweeping, cleaning, tidying and pencil sharpening. Thank you to those class 3 and 4 children who helped out so willingly.

Teachers – you will have seen loan statements in your boxes. Please return or renew your books before the end of the term.

Classes 5 and 6 children have all chosen the books they will be using for their book review projects which will begin in the first week after the holidays. ATTENTION ARTISTS AND CRAFTSPEOPLE

Art and Soul Lounge is a monthly exhibition of local artists' work in a relaxed home environment. This is a unique opportunity for artists to exhibit and offer their work for sale to the public at reasonable prices where the artist receives 90% of the proceeds. 10% of the proceeds will be split to both cover costs and be donated to a local organisation.

Consisting of an 'opening night' on a Friday and then 10am until 5pm on Saturday and Sunday, the event will initially take place at my home. Hopefully as the Art and Soul Lounge gathers momentum other artists will consider hosting the event as well.

If you are an artist or craftsperson and you make things with heart and soul then come and join this exciting new journey with the Art and Soul Lounge.

Southern Cross Cultural Exchange, an Australian not-for-profit organisation specialising in international student exchange programs, is seeking volunteer host families for high school students scheduled to arrive in Australia in July 2009 from Germany, Italy, France, Holland, Austria, Spain, Sweden, Norway, Denmark Finland, Japan, Brazil, Canada and the USA. Host families can choose from students staying for a range of either 3, 5 or 10 months and they all attend local high schools whilst they are in Australia. The main purpose of cultural exchange is to challenge youth towards international understanding and tolerance, encourage further learning, self knowledge and awareness - invaluable characteristics in today's world. We organise all the flights, school enrolment, transportation, insurances and support systems. Just imagine your son or daughter having a brother or sister for a few months from another country. It's a great opportunity for Australian students to learn that there is a world of variety and opportunity waiting for them – different languages, foods, sports, customs, and perhaps an overseas visit to look forward to later on.
